

THE LOOP STEP BY STEP

The megaliths

Start from the **Ménez Gad car park**. To set off, head to the right. At the end of the road, turn right. After 800 m, a sign will indicate the **menhir of the virgin (1) (get off your bike to reach it)**. Continue along the road and take the next left. Go straight on until you reach the small village of La Madeleine. You can turn right to reach the **alignments of La Madeleine (5)** (warning : variant not very accessible in winter). The main circuit continues to the left and passes in front of the **thatched cottages (2) and the chapel of La Madeleine (3)**. Follow the road to the next intersection. Turn left, then right at the end of the street. Take the third road on your right, then continue to the right. Follow the main road straight ahead until you reach **rue des Tulipes**, where you will turn left. To do a short 6 km loop, you can take the next left, **route de Kerloc'h**, to return to the starting point.

Otherwise, continue straight ahead and, after the roundabout, take the first right towards the **Toul Gwin car park**. Follow the road along the car park until you reach the cycle path alongside Pors Carn beach. At the end of this path, you will find the **megaliths of Pors Carn (8)**. Turn right onto **Rue Scrafic** and follow the coastline. You will find gardens with stones and a period porch along this street, as well as a **seaweed oven (11)**, which recall the history of the town. At the end of the street, cross over and take **Chemin du Layou**. Continue along this road until the next crossroads. Turn left and then right at the end of the street onto **Rue de Kervedal**. Turn left at the end of the street. Follow the direction of traffic until you reach the junction with **Rue Molière**. Turn right to admire the **Square Tower (12)**.

The main route turns left. Turn right at the stop sign. Follow **rue de Kervedal** and turn left at the give way sign. Don't miss the recumbent **menhir of Kervedal (13)** on your right at the first crossroads. After this crossroads, continue straight ahead on **route de Pors Carn** and take the first right onto **rue des câbles sous-marins**. Continue straight ahead for 1.1 km. After the roundabout, take the first right onto **Route de Kerloc'h**, through the **Lescors marshes (14)**. At the stop sign, turn left, then left again at the end of the road. Continue right onto **Rue Prat an Doc**. Follow this street, then turn right to return to the starting point.
